## Our Speaker Kathleen Reeder

Kathleen Reeder is a professional wildlife photographer, instructor and author. She believes that photographing wildlife is one of the most rewarding areas of photography, because it touches our emotions, is dynamic and fast moving and, when we feel the connection, it changes peoples' lives. Kathleen's work has appeared internationally on television, in magazines, on internet sites and other publications including NBC's Today Show and National Geographic.

Trained as a project manager and corporate trainer, and always inspired by wildlife and photography, Kathleen has led over 70 wildlife photo workshops in the United States, Botswana and South Africa and has over 700 customers. She provides detailed instructions on how to photograph wildlife in her book *Capturing the Moment, The Art & Science of Photographing Wild Animals*, available on Amazon.com and Apple iTunes. Her workshops are designed for all skill levels. You can view her work, purchase her book, see her upcoming workshops and get tips in her monthly newsletter at [www.KathleenReeder.com](http://www.KathleenReeder.com).
